About Us

Indifit is a privately owned, independent company whose success has been built on unrivalled levels of personal service. We really care about our customers - and we invite you to put us to the test to prove it!

You will find a wide range of essential products in this catalogue designed for many industries including shop-fitting, contract furniture manufacture and general fabrication to name a few.

For pricing, availability or further technical information, simply send an enquiry directly from the product listing and we will reply immediately. Alternatively call us on 01279 656189. We guarantee you will always find us helpful, efficient and friendly.

Our phones are answered by human beings who understand the products - never by a machine with a menu!

Call us and you will be talking to people with decades of experience, who really know about the products they are selling. We do more than just quote price and availability - we are happy to help you specify product and advise the most economical and appropriate solutions.

We hold comprehensive stocks of the most popular items, which are despatched the same day as order, normally by next day carrier. Timed deliveries are also available at extra cost. Non-stock items are usually available on short lead times. (Minimum quantities may apply. Please enquire).

FOC SAMPLES

We will be pleased to supply free of charge samples for prototyping and evaluation purposes and strongly recommend taking advantage of this service when fit, colour or pattern are crucial.

Samples are usually despatched the same day via 1st class post.

Dealing with Indifit couldn't be easier!
